

## **Scrabo Presbyterian Church**

### **Contributions to Church funds**

Our world has changed out of recognition in a few short weeks. One of the consequences is that our Church fellowship can no longer meet each Sunday (although, happily, we are still able to share in worship via the App **sermon.net**)

While our Church buildings are closed, most of the fixed costs are still being incurred and some members have asked how they can still contribute to Church funds. **There are two ways to do this:**

#### **1. Set up a Standing Order with your bank**

You can download a Standing Order mandate **here** on the church website and instruct your bank to pay regular contributions to Scrabo's bank account. This arrangement can be cancelled by you at any time. Please remember to:

- Ensure you have inserted your Initial and Surname e.g. 'J. Smith';
- Post or deliver the completed mandate to your bank branch;
- Inform Alex Duncan, Church Treasurer, by text or email that you have set this up. This will enable him to record your gifts and claim Gift Aid if appropriate. He can be contacted as follows:
  - o Phone/ text: 07886 908011 Email: alexsduncan@hotmail.co.uk

#### **2. Set up a one-off or regular gift using your phone, tablet or computer**

If you already manage your finances through Internet banking, it is very simple to transfer funds direct to the Church bank account, either as a one-off gift, or as a monthly payment. Details of the Scrabo Presbyterian Church Account are:

**Bank:** Danske Bank  
**Sort code:** 95 / 03 / 96  
**Account no. 9274 9033**

Again, please inform our Treasurer of your arrangement so that your gifts can be identified on the Church bank statement.

Thank you for considering this alternative way of supporting  
the Church's ministry in these difficult times.
